

Aneurin Bevan University Health Board: **Delivering Care Closer to Home**  
**Monmouthshire South Neighbourhood Care Network - Integrated Medium Term (ACTION) Plan (IMTP):**  
**2020/2023**

**Our aims:**

- Develop local health and wellbeing centres - support people to stay well, lead healthier lifestyles and live independently
- Understand local need to help reduce health inequalities – work with services to ensure they are able to meet the demand
- Support Clinical Futures Strategy by delivering Care Closer to Home
- Improve access to specialist expertise locally
- Provide a positive experience for patients and carers
- Ensure a supportive working environment with access to career development opportunities

**What are we doing for our 3 key priorities?**

**P1: Delivering Care Closer to Home, P2: Tackling loneliness**  
**P3: Building sustainable services**

- **P1,2,3:** Regularly reviewing local need to identify priorities and develop effective solutions
- **P3:** Developing Primary Care teams (Primary Care Model for Wales) around traditional GP and Community Services roles
- **P3:** Exploring new roles to provide easier access to local services including: Care/Social Navigators, Psychological Health Practitioners, Audiologists, Paramedics, Physician Associates and Social Workers.
- **P1:** Increasing access to specialist nursing roles in the community including Diabetes, Heart Failure and Palliative Care Nurses.
- **P3:** Continue working to increase uptake of preventative services to keep citizens well including influenza immunization / childhood immunization / smoking cessation and weight management services / exercise schemes
- **P1,3:** Developing clinical pathways to improve patient experience and service quality
- **P1,2,3:** Building strong processes to support community engagement
- **P3:** Multidisciplinary Care Home Forum
