[Resource Pack 31 Project Action Plan](#)

[Resource Pack 32 Highlight Report Templates / Status Summary](#)

[Resource Place 33 Post Project Review](#)

[Primary Care Development Project Template word](#)

[Primary Care Development Project Template pdf](#)

Headline / Purpose

*Add here a catchy title that clearly articulates the service development undertaken- what locality
Add the name/s and contact details for those who know more and can provide more information*

Image

A Photo, a graph, something which shows what you are doing / achieving

Pain

Describe briefly the problem or challenges – why was this a priority?

Stats & Facts

Add here bullet point facts, data, achievements

Vision

Describe here what it is you set out to do, what did you want to achieve

Solution

*What did you learn, what did you achieve, what have you got that you could share with others e.g. job descriptions, policy, flow chart, read code template, single action tender etc.
Embed key documents e.g. JDs*

Lessons Learnt

What particular barriers did you face and how did you overcome them?

Final Catchphrase

What is the one take away achievement...a quote is always good from a service user or clinician
