

Cardiff and Vale University Health Board;

South West Cardiff; ACE; Action in Caerau and Ely (Caerau Lane Surgery)

Project Lead; Contact; Hazel Cryer

Rationale; No information currently available

Project Details; Time credits pilot where GP's can refer patients who need support to change behaviour, or who are socially isolated. Patients are signposted to ACE services and can receive time credits. Also available is an 'ACE prescription'. These leaflets include information about ACE services. GP's can tick appropriate services and give to patients who can then access them directly.

Intended Outcomes;

Partners; Action for Caerau and Ely

Time-frame; No information currently available

Future Development Planned; No information currently available

Commissioning / Funding; Dependant on Communities First funding.

Evaluation / Reporting; No information currently available

Supporting Documentation; None

Acknowledgement; Lee Virgo, Cardiff and Vale UHB

Project Status; Pilot
